COALESCE

Congrats! That is correct!  
That is currently the end of the tutorial. Please check back later for more!

**Result:**

| name               | weapon                |
|--------------------|-----------------------|
| US Marine          | M1A1 Abrams Tank      |
| John Wilkes Booth  | .44 caliber Derringer |
| Zorro              | Sword of Zorro        |
| Innocent Bystander | null                  |

**Expected Result:**

| name      | weapon           |
|-----------|------------------|
| US Marine | M1A1 Abrams Tank |
|           |                  |
